

## Fair Credit Reporting Act

The Fair Credit Reporting Act gives you the right to accurate credit reporting. You can exercise that right by having your inaccurate credit items either verified as accurate or deleted from your credit reporting according to the Fair Credit Reporting Act.

A Credit Repair Company provides a service to assist the client to dispute inaccurate items on the credit report. Consumers have the right to attempt to repair their credit on their own. However, JRW Top Beacon Inc. offers professional advice and services to assist in the credit repair process. We have proven methods and process that will effectively removed inaccurate information on your credit report. Our service is not guaranteed to remove every item on all credit bureaus. However, we strive to remove every item within the legal bounds of the Fair Credit Reporting Act.
